Brother Malcolm's extensive research in overcoming victim consciousness resulted in the discovery of Enlightenment. Enlightenment is a holistic philosophy for overcoming pain caused by societal definitions of race, color, gender, age, religion, education, and status.

Brother Malcolm is the founder and president of the National BYE Society. He devotes his time to promoting and teaching the freedom principles of Enlightenment. His work in Enlightenment is a major breakthrough in consciousness for those victimized by beliefs of lack,

limitation, and struggle. Brother Malcolm has authored three books on Powers of Mind and Enlightenment. He currently hosts a daily radio show "The Powers of Mind Hour," and writes a weekly blog on "Enlightenment Insights."
